INSURANCE AND FINANCIAL ARRANGEMENTS**

We are committed to providing you with the best possible care. If you have medical insurance, we need your assistance and understanding of our payment policy.

Payment for services are due at the time rendered unless payment arrangements have been approved in advance by your insurance carrier. We accept cash, checks, Mastercard, Visa, Discover and American Express. As a courtesy, we will file your insurance claim for you with assignment of benefits to our physicians. Not all services are covered by all insurance. You will be required to pay your co-payment and/or deductible amount, if any.

Returned checks are subject to an additional collection fee of \$15. Charges may also be made for broken appointments.

Your insurance is a contract between you, your employer and your insurance company, which we are not a party to.

INSURANCE IS THE RESPONSIBILITY OF THE PATIENT, WHICH INCLUDES OBTAINING YOUR REFERRALS FROM YOUR PCP.

If you have any questions about your insurance reimbursement, please do not hesitate to ask of staff. We are here to help you

I authorize the physician to release any information in the course of my examination or treatment and permit payment directly to the physician, for any benefits due for services rendered. I recognize and accept personal responsibility for any balance remaining after payment of such benefits (excluding Medicaid recipients). By law, physicians are required to file Medicare claims for patients. Patients are now allowed to file claims with Medicare
